FOR IMMEDIATE RELEASE

Attention Users of the Pedestrian/Bike Path along Roberts Avenue in Santa Rosa

Santa Rosa – For the past few months Caltrans has been doing major demolition on a section of Highway 101 located directly above the Pedestrian Bike Path along Roberts Avenue. The major demolition work was completed as of November 15, 2007. Minor demolition and concrete work in this area will continue throughout the winter months and into early spring of 2008.

During the remaining demolition work scheduled a Caltrans spotter will be placed along the path to watch for falling debris and to remove any large pieces of concrete from the path. Path users are asked to be aware of the project and watch for any debris that may lie along the path.

For more information contact Alicia Sequeira at (510) 286-6115
